

# ST. XAVIER'S SR. SEC. SCHOOL, JAYNAGAR

## SUMMER VACATION WORK 2019

### Class – IV (Four)

---

#### English

- I. Make a magazine using ruled papers. Give an interesting name to your magazine. The magazine cover page should be coloured and creative. It must have an Index. Choose any three topics given below. Write 6 to 7 sentences on them:
1. Health (exercise, healthy food)
  2. Recipes (any 2)
  3. Historical place (any 1)
  4. Sports (cricket, football)
- II. Read any story book and pick out twenty proper and common nouns from the stories you have read. Do this work on a ruled paper.
- III. Choose a newspaper article and colour the nouns - red, adjectives - green, adverbs - yellow and verbs – blue. Paste this article in your grammar notebook.

#### Mathematics

Q1 Write five questions of each of the following topics given below and solve them :

- a) Number names of six-digit numbers
- b) Ascending and descending order
- c) Building numbers - greatest and smallest 5-digit number using different digits.
- d) Round off the numbers to the nearest 10, 100 and 1000.
- e) Word problems on addition and subtraction

Q2 Write the multiplication tables from 12 to 20 five times each.

#### Science

*Do these experiments and write your observations in a ruled paper.*

1. Take two glasses. Mark them 1 and 2. Pour one cup of water in first glass and then pour one cup of oil in the other glass. Mark the levels of water and oil with a marker. Take five stones and first put them in the first glass containing water and mark the level of water. Then remove the stones from the first glass wipe them and pour them into the second glass containing oil. Observe the level of oil. Did you see any change? Write the reasons for it.

#### Social Science
