

Play and Help

Your mummy or papa will keep some plates, spoons, glasses and bowls on the dining table. Lay the table by keeping one of each utensil for everyone. Make one set of utensils for each family member. Have fun and help too.

I Can Make Ants

Make small finger printing ants on and around the anthill. To make each ant, dip your finger tip in thick paint. Make three impressions with it very close to each other. Then, draw six small legs, two eyes and two antennae to complete your ant.
